

## Are You Still Searching?

Do candidate sourcing sites leave you lost in a wilderness filled with

- Bad matches
- Mountains of resumes
- Picked over candidates
- Long term contracts
- Broken promises

## At Last...

## Internet Based Sourcing That Delivers

HireHub.com makes keyword searching yesterday's news. Can your current Internet candidate sourcing site give you these answers?

- **Yes**, we provide you with a short list of highly qualified candidates, NOT a mountain of oddball resumes
- **Yes**, we have an online database of more than half a million resumes—with 15,000 new resumes added every week
- **Yes**, we access resumes of passive candidates that you cannot find anywhere else
- **Yes**, you can save candidate lists on a personal web page
- **Yes**, we offer month to month service contracts, and
- **Yes**, you can try us at absolutely no risk

## Try HireHub.com At No Risk...

Getting started with HireHub.com couldn't be easier. Just visit our site at [www.hirehub.com](http://www.hirehub.com) and register for a one week free trial. Use Code: **HRTC**
